FORWARD-LOOKING STATEMENTS

This press release contains certain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 (the “Exchange Act”), which are intended to be covered by the safe harbors created thereby. Such forward-looking statements can be identified by the use of forward-looking terminology such as “may,” “will,” “project,” “target,” “expect,” “intend,” “might,” “believe,” “anticipate,” “estimate,” “could,” “would,” “continue,” “pursue,” “potential,” “forecast,” “seek,” “plan,” or “should,” or “goal” or the negative thereof or other variations or similar words or phrases. Such forward-looking statements include, among others, statements about CMCT’s plans and objectives relating to future growth and outlook. Such forward-looking statements are based on particular assumptions that management of CMCT has made in light of its experience, as well as its perception of expected future developments and other factors that it believes are appropriate under the circumstances. Forward-looking statements are necessarily estimates reflecting the judgment of CMCT’s management and involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by the forward-looking statements. These risks and uncertainties include those associated with (i) the scope, severity and duration of the current pandemic of COVID-19, and actions taken to contain the pandemic or mitigate its impact, (ii) the adverse effect of COVID-19 on the financial condition, results of operations, cash flows and performance of CMCT and its tenants and business partners, the real estate market and the global economy and financial markets, among others, (iii) the timing, form, and operational effects of CMCT’s development activities, (iv) the ability of CMCT to raise in place rents to existing market rents and to maintain or increase occupancy levels, (v) fluctuations in market rents, including as a result of COVID-19, (vi) the effects of inflation and higher interest rates on the operations and profitability of CMCT and (vii) general economic, market and other conditions. Additional important factors that could cause CMCT’s actual results to differ materially from CMCT’s expectations are discussed under the section “Risk Factors” in CMCT’s Annual Report on Form 10-K for the year ended December 31, 2021 and in CMCT’s Quarterly Report on Form 10-Q for the period ended September 30, 2022. The forward-looking statements included herein are based on current expectations and there can be no assurance that these expectations will be attained. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond CMCT’s control. Although we believe that the assumptions underlying the forward-looking statements are reasonable, any of the assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included herein will prove to be accurate. In light of the significant uncertainties inherent in the forward-looking statements included herein, the inclusion of such information should not be regarded as a representation by CMCT or any other person that CMCT’s objectives and plans will be achieved. Readers are cautioned not to place undue reliance on forward-looking statements. Forward-looking statements speak only as of the date they are made. CMCT does not undertake to update them to reflect changes that occur after the date they are made.
