Item 1. Security and Issuer.

This Schedule 13D relates to the common stock, \$0.01 par value per share ("Common Stock"), of PMC Commercial Trust ("PMC"), a Texas real estate investment trust (the "Company"), and amends the original filing on Schedule 13D of the filing persons dated April 12, 2013. Capitalized terms not otherwise defined herein shall have the respective meanings set forth in such original filing.

Item 4. Purpose of Transaction.

Hoak Public Equities ("HPE"), which collectively with our affiliates owns 769,254 shares of Common Stock representing approximately 7.26% of the outstanding Common Stock, intends to vote against the proposed transaction announced by PMC on July 8, 2013. On July 8, 2013, Hoak Public Equities ("HPE") sent a letter to the Company's CEO, as the representative of the Board of Trust Managers, indicating its opposition to the merger agreement between PMC and CIM Urban REIT, LLC, announced by the Company on July 8, 2013. HPE's letter advised the Company that HPE will be likely be voting against the transaction in its current form and that, in HPE's opinion, the total consideration, as proposed, significantly undervalues PMC shares. HPE further advised of its belief that PMC and its shareholders would be better served by having the Company stay a stand-alone entity, run-off the existing portfolio, add new lines of business, and/or explore other merger or business combinations that result in a total consideration equal to, or in excess of, PMC's most recently stated book value of more than \$13/share. Following the letter HPE sent to the CEO of PMC, PMC filed its form S-4 with the SEC on August 30, 2013 detailing the contemplated transaction with CIM Urban REIT, LLC. After reviewing the document HPE has concluded its intent to vote against the transaction. HPE further intends to take all reasonable measures to protect its investment in PMC. HPE reserves its right to speak to other PMC shareholders or groups about making or participating in a competing proposal, to buy more shares, to sell some or all of its shares, or to take other actions consistent with its best interest as a holder of PMC shares.

Item 5. Interest in Securities of the Issuer.

(a) As of October 4, 2013, the Reporting Persons as a group beneficially owned 769,254 shares of Common Stock, representing approximately 7.26% of the shares of Common Stock outstanding based upon the 10,596,220 shares of Common Stock reported by the Company to be outstanding as of August 2, 2013 in the Company's Quarterly Report on Form 10-Q for its quarterly period ended June 30, 2013 filed with the Securities and Exchange Commission on August 9, 2013.

(b) J. Hale Hoak, together with HPE, HIOF, HFM, Hoak & Co. and James M. Hoak, has shared voting and dispositive power with respect to 580,000 shares of the Common Stock. James M. Hoak has the sole voting and dispositive power with respect to 189,254 shares of the Common Stock.

(c) Schedule A annexed hereto lists all transactions in the Company's Common Stock in the last 60 days by the Reporting Persons.
