PROSPECTUS UPDATES

Plan of Distribution

The following disclosure replaces in its entirety the first paragraph under the “Settlement Procedures” heading in the “Plan of Distribution” section of the Prospectus:

If your broker-dealer uses DTC Settlement, then you can place an order for the purchase of Units through your broker-dealer. A broker-dealer using this service will have an account with DTC in which your funds are placed. We anticipate that closing cycles will occur twice each month. You should coordinate with your registered representative to pay the full purchase price for your Units by the future applicable settlement date.
